Once your application is accepted, you will be contacted by Department of Children and Families (DCF) to set up an appointment to inspect your home for health and safety compliances.

DCF makes all final decisions to approve or deny a new application. DCF will contact applicants in writing regarding their decision.

DCF has many resources for getting started as a Licensed Child Care Center. Visit the website for more information at: <https://dcf.wisconsin.gov/cclicensing>.
